

Year 11 Mathematics Advanced

2023

Assessment Notification:

Task Date Thursday 16th March 2023

Notification Date: Week 6

Duration: 50 minutes.

Assessment Weighting: 30%

Content:

Algebraic techniques F1.1	Introduction to functions F1.2
------------------------------	-----------------------------------

Assessment will be an in class test. You must prepare an A4 summary/study sheet, which you may use during the Assessment. The summary/study sheet must be **hand-written** and **prepared beforehand**. (You may write on both sides of the A4 piece of paper.) The summary sheet will be worth 2 marks and must be submitted at the end of the test.

You will be supplied with a NESAs approved Reference sheet.

You may use a scientific calculator.

Outcomes:

MA 11-1	Uses algebraic and graphical techniques to solve, and where appropriate, compare alternative solutions to problems.
MA 11-2	Uses the concepts of functions and relations to model, analyse and solve practical problems
MA 11-9	Provides reasoning to support conclusions which are appropriate to the context.

Recommended preparation:

Chapter Revision, homework questions and assignments as given by your teacher.
