

COONABARABRAN HIGH SCHOOL
ASSESSMENT TASK NOTIFICATION

PASS

STAGE: 5 YEAR: 9 / 10

| | | | |
|----------------|-----------------|-------------|------------------------|
| Task Number: | 1 | Task Value: | 25% |
| Subject: | PDHPE | Unit/Topic: | Anatomy and Physiology |
| Date received: | Week 8 , Term 1 | Date Due: | Week 10 , Term 1 |

- 1.1 - discusses factors that limit and enhance the capacity to move and perform
1.2 - analyses the benefits of participation and performance in physical activity and sport

Unsatisfactory completion of an assessment is:

- submitting or completing tasks after the due date
- refusing to attempt the task
- directly copying from the internet, books or another person's work
- work that does not demonstrate their personal best

Technological problems: Any technology issues (such as printer, USB and storage devices, disk and hard drive) will not be accepted as an excuse for late submission. Drafts or hand written notes should be submitted as a substitute.

Where **illness and misadventure** prevents completion or late submission of a task a parent letter of explanation must be provided for consideration by the Head Teacher.

Anatomy and Physiology Exam

Students will be required to:

1. Identify various body system components including the skeleton and the muscles
2. Identify various movement terms
3. Identify and describe the function of specific body system components

A series of stimulus materials will be presented to the students. They will need to identify the specific components of the body that are unlabelled.

Students will also be asked to describe in writing the function of some body systems or components.
