<b>Teacher:</b>	Miss Mulveney	<b>Notification date:</b>	Week 7
<b>Topics:</b>	Research Methodology, Parenting and Caring, Social Impacts of Technology	<b>Completion date:</b>	Week 9

### Outcomes to be assessed:

- H2.2 evaluates strategies to contribute to positive relationships and the wellbeing of individuals, groups, families and communities
- H3.4 critically evaluates the impact of social, legal and technological change on individuals, groups, families and communities
- H4.1 justifies and applies appropriate research methodologies
- H4.2 communicates ideas, debates issues and justifies opinions.

### You will be assessed on how well you:

- Identify and explain key course concepts relevant to questions
- Cohesively structure a written response to effectively respond to questions
- Use examples to support written answers

### Task description:

Students will complete a 2-hour examination that will assess their knowledge of course content.

### Submission/equipment required:

Students will complete the examination within the time frame provided as part of the Half-Yearly Examination block

*NOTE: This is a compulsory assessment task. You are to make a genuine attempt at the task, and all Stage 6 protocols relating to plagiarism, collusion, and malpractice apply. You are required to be in attendance on the above stated date to complete the task. Failing to do so may result in the awarding of the grade of 0%. If you will be away on the day, you are required to arrange an extension in advance with your class teacher or alternate submission. If you are away from school on the day of the examination due to an unplanned event, you are required to provide your teacher with a note from a parent/caregiver when you return. All assessment protocols, found in the Assessment Handbook, will be followed.*

**Feedback (after task completion):**

Students will receive their examination back in full alongside written feedback.

**Study suggestions:**
