Email: [coonabarab-h.school@det.nsw.edu.au](mailto:coonabarab-h.school@det.nsw.edu.au)

1 December 2021

*As part of Coonabarabran High School's commitment to providing the best opportunities for your child's education, we are facilitating a wellbeing survey for all of our students. This survey will be completed between the 6<sup>th</sup> and 13<sup>th</sup> of December 2021. While time will be allowed to complete the survey during school time, login details and instructions for the survey will be emailed to students' email accounts by Assessing Wellbeing in Education.*

*Provided by Assessing Wellbeing in Education through the Awesome Schools platform, students will be asked questions to assess their well-being, engagement with learning, and resilience. Students will receive an emailed confidential report describing their wellbeing and how they compare to their peers at Coonabarabran High School and in similar schools. Subject to mandatory reporting obligations, the data collected is confidential and no information will be provided by Assessing Wellbeing in Education to Coonabarabran High School which can identify individual students.*

*The information this survey provides will help assess the effectiveness of wellbeing programs implemented at our school, provide guidance for future efforts to promote wellbeing in our school, and also to identify and address areas of potential concern for our students.*

*All students will be encouraged to participate in the survey and, should any participant experience distress, support services will be made available.*

*Should you not wish your child to participate in completing this survey, please contact the school.*
