

GENERAL SCHOOL CONTRIBUTIONS

With the agreement of this school's community it is intended to seek from parents and guardians a General School Contribution. Funds raised through this contribution will be used to supplement educational resources and programs in our school.

The funds generated by the General School Contribution will be retained by the school and may be supplemented by other school activities and funds raised by parent organisations for the benefit of students.

Should you wish, the Principal will be pleased to discuss difficulties with you including exemptions, support and options for payment by instalments.

The following General School Contributions have been set for the 2005 school year. Cooperation in settling these amounts at an early date is appreciated.

Coonabarabran High School's fees are among the cheapest in the state.
