Dear Year 12

HSC Examinations – Illness/ Misadventure

You may recall that Mrs Doolan and I spoke to you about illness and misadventure in the final week of last term. Just to reiterate, if you believe that your performance in an examination is affected by illness or misadventure immediately before or during the examination you should let the presiding officer, Mrs Jane Judd know, where possible, before the examination. I can support you in doing this if you require.

NESA will consider illness and misadventure applications in the above circumstances. Additionally a group misadventure application will be submitted by the school. However, the group application does not mean that individual applications cannot be made, as needed.

In all cases you should attend every exam if at all possible. Do not miss an examination because you feel unwell for example. The illness/ misadventure process aims to support students who perform below their expectations due to illness or misadventure.

In essence, if you have any queries or concerns please contact me. The phone is answered from 7.30 am each weekday.

On behalf of the school community all our very best wishes for the HSC Examinations.

Kind regards

Ms M Doolan
