9 May 2022

### Dear Parent/Carers

In May 2022 the National Assessment Program – Literacy and Numeracy (NAPLAN) will be completed by students in Years 3, 5, 7 and 9. NAPLAN has the support of all State and Territory Education Ministers and will assess the literacy and numeracy skills of students across Australian schools. In 2022 all students will sit their NAPLAN examinations online.

The results of the tests will provide important information to schools about what each student can do, and will be used to support teaching and learning programs. Parents will receive a report indicating their child's level of achievement. Each student's level of achievement will be reported against the national minimum standard.

Student background information (student name, gender, date of birth, language background and Aboriginality) will be collected as part of the National Assessment Program. This information is treated confidentially and held securely to ensure that every student's right to privacy is maintained.

The NAPLAN tests will be conducted from Wednesday 11 May 2022 concluding Wednesday 18 May 2022.

Students will sit tests in the following order:

Writing, Reading, Conventions of Language and Numeracy.

In the Numeracy tests students do not require any measuring tools such as rulers or protractors. In Years 7 and 9 there will be one Numeracy test with two parts: Part A calculator is allowed and Part B where calculators are not to be used. For the calculator test, the student should use the calculator that they currently use at school.

Catch-ups must be concluded by Friday 20<sup>th</sup> May 2022 for students who missed a test or were absent on a test day.

Please make an appointment with the principal of the school your child attends if you would like to discuss your child's participation in NAPLAN.

Additional information about NAPLAN can be found at <http://www.nap.edu.au/naplan/parent-carer-support>, or by contacting Debbie Redden at the school on 68421099.
